

Download Gruffalo Activities For Preschool Children

The Gruffalo - Preschool activities and crafts. Do you know the Gruffalo? The Gruffalo is a delightful children's book by writer and playwright Julia Donaldson, illustrated by Axel Scheffler. The book tells the story of a mouse taking a walk through the forest and running in to several hungry animals (a fox, an owl, and a snake.) Come and Play Pre-School. Welcome to our website. We hope you enjoy having a look around. This month we are spotlighting books by Julia Donaldson for our Virtual Book Club for Kids. Julia has written so many excellent children's books that we had a hard time deciding which one to share with you for today's post. Number Charts are a really useful tool when teaching a young child counting and math. Displaying a specific range of numbers in big clear writing, these charts are easy for children to read and allow for a range of different activities.
