BEER TO BOWIE KNIFE - HUGE BOWIE KNIVES FROM 100% RING PULLS - knife casting at home - Melting Metal - Duration: 10:06. bigstackD Casting 598,127 views

However, little is known about the speciation and leaching behaviors of metal contaminants at e-waste contaminated sites. This study investigated trace metal speciation/mobilization from e-waste polluted soil through column leaching experiments involving irrigation with rainwater for almost 2.5 years.

Heavy Metal Contamination. Leaching Behavior of Heavy Metals and Transformation of Their Speciation in Polluted Soil Receiving Simulated Acid Rain. Spatially Explicit Analysis of Metal Transfer to Biota: Influence of Soil Contamination and Landscape. Heavy Metal Contamination of Soil and Sediment in Zambia.

Metal Speciation and Contamination of Soil - CRC Press Book

Metal Speciation and Contamination of Soil provides a thorough overview of the biogeochemical processes governing the behavior, transport, and bioavailability of heavy metals in contaminated soils and suggests alternative approaches for effective remediation.
