gerg 2003 SunTracker Party Barge 200 'RiffRaft' 2017 Mercury 60hp Command Thrust Brookville Lake, Indiana - Why do they call it Common Sense when so few people seem to have it?ROLAND wrote:Ok boys, time for me to continue my "boating education" here at pontoon forums university.A reminder I've never owned a boat til now and the one I got is only 3 months old and we've only had it in the water twice. Todays class is "batterys".Rated 4 out of 5 by Truthsayer from Great idea, nice product, measure first! Would of loved to use it but it would not fit my 21' pontoon boat. The mounting of this enclosure requires a minimum of 56" of straight rail length on both sides of the boat.Boats for sale! Find a local canoe, kayak, motorboat, seadoo, or other watercraft in Saskatoon on Kijiji, Canada's #1 Local Classifieds.
